**The Government of Tamil nadu** has announced Tamil 16-bit encoding (Unicode and TACE16) as standard vide Information Technology (B-1) Department G.O.(Ms) No.29 dated 23.6.2010.

As decided in the above G.O., The Government has developed the Tamil fonts and Tamil keyboard drivers for 16-bit encodings (Unicode and TACE16), which are to be free distribution to all the government departments and the general public.

Welcome to **Tamil nadu Government Keyboard Interface Installar**

A Unique Software that allows you to use your favorite package in your favorite language - Tamil.

**TN Govt. Keyboard Interface** supports both the 16-bit standards, TAU (Tamil Unicode) and TACE16 (Tamil All Character Encoding for 16 bit).

**TN Govt. Keyboard Interface** supports the latest Tamil'99 Standard and Typewriter keyboard layout.

This user manual allows you to install this unique software in an easy, step-by-step manner. The software is also designed to be both functional and user-friendly, thereby allowing you to continue your tasks with minimum keystrokes.

However, if you feel that further improvements can be incorporated, we always welcome your suggestions. Please e-mail your ideas to [tamilvu@yahoo.com](mailto:tamilvu@yahoo.com) or [elangotamil@cadgraf.com](mailto:elangotamil@cadgraf.com).

We hope you will enjoy using **TN Govt. Keyboard Interface**.
